2017 USEF Tests for Western Dressage and 2015 USEF Tests for Dressage

USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the USDF Member Guide or the USDF website at www.usdf.org.

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.) Individuals cannot compete at a USEF-licensed/USDF-recognized competition with a USDF Education Membership.

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials must be presented at the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in headline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$50), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards, USDF Breeders Championship Series Finals and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Education Membership (EM): A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes or USDF Breeders Championship Series Finals. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete at USDF Breeders Championship Series Finals and Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

How to Join USDF

Applications for USDF Participating Membership (PM), Business Membership (BM), Horse Identification (HID) number, and Lifetime Horse Registration (LHR) may be found in the following locations:

- On the USDF website: www.usdf.org. You can submit the application online or download the form and fax or mail it to the USDF office.
- In the show office at USEF-licensed/USDF-recognized competitions classified by USEF as Dressage Competitions, and Regular Competitions which are open to all breeds.
- By calling or writing the USDF office at (859) 971-2277, 4051 Iron Works Parkway, Lexington, KY 40511

The effective date of membership is the date the form and correct fees are received in the USDF office or, if applying at a competition, the date accepted by the competition secretary, provided the application is signed and dated by the competition secretary, member, and/or horse owner on that same day.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 120 independent organizations throughout the United States with a membership of 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

Every rider having reached his 19th birthday prior to 12/1/17 must have in his/her possession an amateur card issued yearly by USEF or make application for such card at least one hour prior to riding in Amateur To Ride classes. Applications may be secured from the horse show office.

Amateur Owner Rule Added to AHA Code Of Ethics: It is unethical to transfer or assist or facilitate in the transfer of a horse with the intent to circumvent the purpose of the rules regarding ownership of horses shown in the amateur and/or junior owner classes. In determining whether the transfer was unethical, the EPRB may consider, among others, the following: a. Horse ending up back in the previous owners name within a year of the original transfer. b. Horse being transferred at less than fair market value (owner to provide proof of the sales amount). c. The fact that prize money went to a person other than the owner or family member. d. The fact that the owner or family member did not pay the expenses relating to the upkeep and showing of the horse.

Owner Classes: To show in an Owner class, every competitor must be a junior/adult amateur exhibitor and the owner or member of the owner's family. Combined ownership is not permitted in JOTR/AOTR/AAOTR classes unless all owners are member of the same family. For competition purposes the term family includes the following: spouse, parent, step-parent, child, step-child, brother, sister, half brother and sister, aunt, uncle, niece, nephew, step-brother and sister, grandparents and grandchildren, and in-laws of the same relation as stated above. Horses entered in amateur owner and junior owner classes must be registered in the name of the competitor or a member of the competitor's family, as defined by GR123. Horses registered in a farm/ranch/syndicate/partnership/corporation name may be shown in Amateur Owner classes provided the family is the sole owner of the farm or entity (GR123). The sale of a horse does not eliminate this requirement. (Contracts of Sale or Bill of Sale will not be accepted. NOTE: Leased horses not eligible unless the lessee and lessor are members of the immediate family.

Leveling Classes: This show offers SELECT amateur classes. Select level guidelines can be found at www.arabianhorses.org.

Age Split Classes: The age of the exhibitor on December 1, 2017 will be used to determine the correct age split classes for the exhibitor in the 2018 show year.

Maiden, Novice or Limit: Has not won one ("Maiden"), three ("Novice"), or six ("Limit") first place ribbons at a Regular Competition of The Federation in the particular division in which it is shown. Ribbons won within one section do not count if the animal competes in a different section (e.g. Arabian Park to Arabian Western Pleasure). Ribbons won in one-horse classes do not count; the status is as of closing of entries for this show.

Ladies & Gentlemen: Junior exhibitors may show in Ladies & Gentlemen to Ride.

Performance Championships: To be eligible to show in a particular performance championship, a horse must have been entered, shown and judged in a designated qualifying class at this show. See qualifier in parenthesis after class name on schedule and on recap page. All entries placing first, second, or third in a qualifying class must show back in the corresponding championship or forfeit the prize money awarded in the qualifying class (exception: JTR or ATR qualifying classes for open championships). If a exhibitor has qualified two or more horses for the same championship class, an exception will be made if the show office is notified in advance.

Halter Championships: To be eligible to show in the breeding/in-hand halter championship, a horse must have placed first or second in the designated qualifying class. Sport Horse In-Hand Champions and Reserve Champions must be at least two years old.

Back Numbers: The assigned number of each entry shall be prominently displayed by the rider, driver or handler when the entry is exhibited.

Calls for Classes/Check-in with Paddock Master/Tack Changes: As a courtesy to our exhibitors, the public address system will be used to make barn calls if possible. However, exhibitors are responsible for seeing that entries reach the gate on time and should not rely solely on the P.A. system. Classes will be called promptly. Check-in is required in the paddock area with the paddock master. Time for tack changes will be at a minimum; the paddock master should be notified of any special requirements and he/she may delay opening the gate for the next class for very brief accommodations.

Promptly Enter Gate When Opened (AR107.1 Effective 12/1/17): When horses are competing collectively, if a first horse does not enter the in-gate ready to participate within one minute from when the class is called into the ring, a warning is issued.

- Exhibitors will then have one additional minute to start the steady stream of horses into the in-gate.
- If no horses have entered the gate at the conclusion of the additional one minute, the gate shall be closed and the class is deemed concluded.
- Once the first horse has entered the in-gate, a steady stream of horses must be maintained.
- Should the steady stream be broken after the two minutes have elapsed, the gate shall be closed and judging will commence.
- A steady stream is defined as a constant flow of horses moving forward through the in-gate with a reasonable and safe distance between them (i.e. two to four horse or horse and buggy lengths in between).
- Show Management in conjunction with the Steward may deviate from this procedure as circumstances warrant.

Admission to the Arena: No person will be permitted to enter the arena except participants in the class, judges and their assistants, show photographer and assistant, show officials and staff. Attendants will not be permitted in the arena until summoned by the judge.

CLASS SPECIFICATIONS

“EVERY CLASS OFFERED HEREIN WHICH IS COVERED BY THE RULES AND SPECIFICATIONS OF THE CURRENT FEDERATION RULE BOOK WILL BE CONDUCTED AND JUDGED IN ACCORDANCE THEREWITH.”

Exhibitors are encouraged to read the USEF rule book, and particularly Chapter AR, for the complete Arabian, Half-Arabian and Anglo-Arabian competition rules, class descriptions and judging specifications.

Halter classes: Breeding & In-Hand classes will be judged using the Class Procedure for Comparative Judging for Halter Dispensation.

COMP 815. CLASS PROCEDURE FOR COMPARATIVE JUDGING IN BREEDING IN-HAND (Res. 20-13 - See AHA, Ch 11).

1. Class Procedure for AHA Recognized shows other than Regionals and Nationals (Refer to COMP 607 – DISPENSATION);

A. Judging begins when the first horse enters the ring. From the moment the horse enters the ring its movement is being evaluated. The horse shall enter at a trot, and at the handler’s discretion may either proceed directly along the rail, or trot a counter-clockwise circle at the in-gate end of the arena and then proceed along the rail to the far end of the arena. Upon each horse reaching the designated position at the far end of the arena they are to remain relaxed. The judge(s) will then ask for the next horse to enter the ring. When all horses have entered the ring the horses shall be asked to walk collectively counter-clockwise and/or clockwise past each (and all) judge(s). They shall walk in a relaxed manner on a loose lead with the handler at the side of his horse, whips down.

The lead line must maintain a discernible drape and the handler must not place his hand on the chain or close enough to in any way restrict the natural head and neck motion. The handler may not unnecessarily impede the forward motion of the horse while at the walk. Following the cessation of the walk all horses shall relax within the ring and only the horse “on deck” shall be prepared to show. Each horse shall be led to the judge(s) at the walk and presented for judging. In order to satisfy a proper presentation to the judge, horses should stand correctly, bearing weight on all four feet (not stretched), in a quiet and deliberate manner. Following the evaluation by the judge(s), horses shall walk away from the judge(s), and then strike a trot before turning left and proceeding counter-clockwise down the rail. They shall resume their relaxed position at the end of the arena.

B. Handlers are expected to keep a reasonable clearance between horses and judges should modify the alignment of horses to achieve that clearance. Further judging will not commence until the Call Judge approves the placement and spacing of all horses,

C. After the last horse is presented, the adjudication process is complete and horses will not be further compared.

2. That in the event that any comparative judging is used, in a one (1) judge system, judge shall give oral reasons for their decisions after the card is handed in. In the event of concurrent shows the two (2) judges shall alternate classes in giving reasons.

Leadline 2-6: Open to riders who are at least two years of age and have not reached their seventh birthday as of December 1, 2017. Leaders must be at least 14 yrs old. Boots are required & rider’s feet must be engaged in the stirrups/iron.
